

Dear Potential Alaska Career College Massage Students, Active Students, and Graduates,

Massage Envy would like to make you an offer!

At Massage Envy, we are confident in the Alaska Career College Therapy Program. So much so that we not only guarantee every graduate an interview and job offer based on the success of the interview and practical; we will also cover the cost of your massage license. We value our partnership with Alaska Career College and the outstanding curriculum and training the faculty provide to all of their massage students.

Massage Envy is the leading employer of massage therapists with over 25,000 therapists employed nationwide. With more than 1,100 locations we are able to provide flexibility not only in schedule, but in job location. Having such a vast network also allows therapists to connect across great distances to share skills, training, and more. As a provider of full range massage therapy modalities our employees embody our purpose everyday, *"We help you take care of you"*.

At Massage Envy South Anchorage, you can expect a competitive wage. The average wage of a massage therapist with tips and commissions is \$50-\$60 per hour. In addition to competitive wages, we are also offering an exclusive \$2,000 sign-on bonus to Alaska Career College graduates working 25 hours or more with us. We also offer the following exciting benefits:

- A true commitment to a culture of wellness
- A team atmosphere committed to empowering each other
- Flexible scheduling- we'll work around your schedule
- Supplies included (we pay for and provide linen, mediums, etc.)
- Strict 24 hr Cancellation policy to ensure Massage Therapists are paid
- Consistent clientele
- \$2,000 Sign-on Bonus
- Paid Training
- Free AMTA Membership
- Access to free courses and training

- We'll cover the cost of your license
- Employee discounts on all services and retail products
- Health insurance, Dental, and Vision
- Aflac
- 401k
- Uncapped Accrual Sick Pay
- The freedom to work anywhere in the US

We believe in maintaining a positive clinic culture not only for our clients but for our Massage Therapists. By providing scheduling structure, laundry service, marketing, insurance, and more we hope to take away the stress of running the business so that you can do more of what you love. A value you can depend on.

We can't wait to welcome you to the family of successful Massage Therapists at Massage Envy!

"We help you take care of you"

Sincerely,
