

Alaska Career College

WEEKEND PROGRAM

**PHLEBOTOMY
LABORATORY AND
ECG TECHNICIAN
SPECIALIST**

KNOW THE WHY ... MASTER THE HOW.

ALASKA CAREER COLLEGE

Life Changing Career Training for 40 Years!

Make a difference in the lives of others—choose to become a professional medical assistant, a phlebotomy technician, and/or ECG technician. Use your compassion and skill to help others.

You will learn to be a competent, dependable medical professional with in-depth training and practical, hands-on experience. Students also receive an HP Chromebook for use through the program and to keep past graduation.

Earn your diploma and certifications in just 7 months with weekend college classes.
