

THERAPEUTIC MASSAGE SPECIALIST

KNOW THE WHY...MASTER THE HOW.

ALASKA CAREER COLLEGE

Life Changing Career Training for over 30 Years!

Use your compassion and natural abilities to heal with the proven therapies of massage. Create a real-world business plan and portfolio, and use it to start your own practice or join a professional team in a clinic or spa.

Students learn to become a professional massage therapist with in-depth training and practical hands-on experience.

Practice your skills in ACC's professional therapeutic massage clinic by completing 80 professional massages—well beyond typical massage programs. Build your own clientele in the college graduate massage clinic. Students also receive an Amazon tablet with a comprehensive library of resources.

Earn your diploma and certifications in 9 to 14 months.
